Understanding Academic Honesty & AI

Example Assignment
Create an original cake
recipe.

1

J Hey AI, I need to create an original cake recipe for my baking class, what does a cake need to have?

Essential cake components:

1. Structure builders:

- Flour (protein for framework)
- Eggs (binding/structure)

2. Moisteners:

- Liquid (milk/water)
- Fats (butter/oil)

3. Leaveners:

- Baking powder/soda
- Whipped eggs

4. Flavorings:

- Sugar
- Extracts
- Spices/additions

2

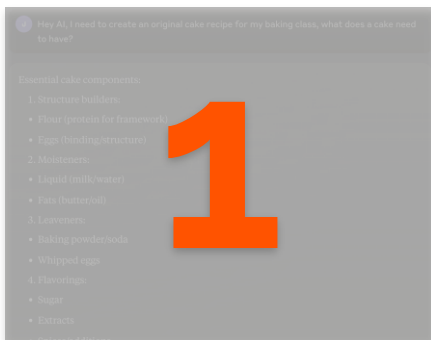

J Hey AI, I need to create an original cake recipe for my baking class, what would you do for german chocolate?

Here's an elevated German chocolate cake recipe featuring traditional elements with unique twists:

Cake:

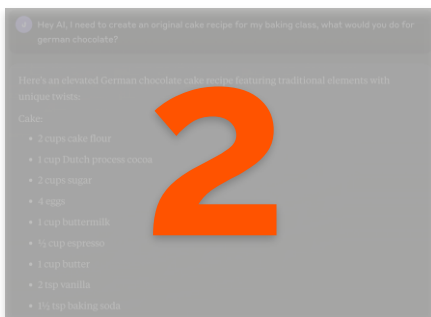

- 2 cups cake flour
- 1 cup Dutch process cocoa
- 2 cups sugar
- 4 eggs
- 1 cup buttermilk
- ½ cup espresso
- 1 cup butter
- 2 tsp vanilla
- 1½ tsp baking soda

What is the difference between these two prompts?

Encouraged

Using AI to help you gain deeper understanding of the problem you are facing and the material you are learning.

Plagiarism

Using AI to solve the problem while gaining no deeper understanding of the material.

Accessing Zoom Recordings

You will be able to access the Zoom classroom recordings in the 'Cloud Recordings' tab shown below.

The screenshot displays the Zoom web application interface. On the left sidebar, the 'Zoom' link is highlighted with a yellow box. The main content area shows the 'Cloud Recordings' tab also highlighted with a yellow box. The interface includes a navigation bar with 'Home' and 'Appointments' links, a status bar indicating the current time zone and language, and a search bar for recordings. A table header is visible at the bottom, listing columns for Topic, ID, Start Time, Section, and File Size. A message at the bottom states: 'You do not have any recordings on or before 2024-11-11.'
